

The DC-CAP College Retention Team

DC-CAP is here to help with any questions you may have. Your **DC-CAP College Retention Advisor** is committed to working with you, your parents, and your institution for up to 5 years after high school. It is our goal that you graduate from college! All registered DC-CAP college students have a College Retention Advisor assigned to them **based on their high school of graduation or scholarship program**. You can reach an advisor by email, telephone or fax.

Please review the chart below for the advisor assigned to you.
